Dear Mr. Shanowski:

RENEWED PETITION UNDER 37 C.F.R. 1.137(a)

This is a response to the decision dated June 14, 2007, dismissing the original "Petition Under 37 C.F.R. 1.137(a)," filed March 14, 2007. The petition was dismissed because it lacked a copy of the docket record where the nonreceived Office communication would have been entered had it been timely received and docketed.

Accordingly, Applicant submits herewith a copy of the docket record for the above-identified application.

RENEWED PETITION UNDER 37 C.F.R. 1.137(a)
S/N: 09/382,372

Further, Applicant respectfully submits the Declarations of the following staff: Beverley Collette, Carole Rasmussen and Alice Goetsell stating the steps involved in receiving, processing and docketing incoming mail. Applicant respectfully requests the reconsideration and granting of the renewed petition.

No petition fee is due in this matter and, thus, none is included. Please charge any deficiency or credit any overpayment to deposit account number 20-0780/PHLY-24,738 of HOWISON & ARNOTT, L.L.P.

Respectfully submitted,
HOWISON & ARNOTT, L.L.P.

DECLARATION OF BEVERLEY COLLETTE

My name is Beverley Collette, I am the Office Manager at Howison & Arnott, L.L.P. and have been employed in that capacity for approximately six years and six months. I have first hand knowledge about the process involved in handling and processing incoming mail. I hereby declare that as part of my job duties, I process all incoming mail by picking it up each day from the Post Office, stamping it "Received" with the received on date, and transfer same for further processing to Secretary Carole Rasmussen. In the event I am out of town, this task is assigned to another. We receive all of our PTO correspondence at the P.O. Box address.

In the present case, I noticed that the particular correspondence was received late, as the Post Office had delivered it to the wrong P.O. Box. I brought this to the attention of Mr. Howison immediately.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

My name is Carole Rasmussen, I am a Secretary at Howison & Arnott, L.L.P. and have been employed in that capacity for approximately three years. I have first hand knowledge about the process involved in handling and processing incoming mail. I hereby declare that as part of my job duties, I process all incoming mail by first receiving same from Office Manager, Beverley Collette. All incoming mail is then scanned within typically one (1) business day for email transfer to the Docket Clerk, Alice Goetsell.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

DECLARATION OF ALICE GOETSELL

My name is Alice Goetsell, I am the Docket Clerk at Howison & Arnott, L.L.P. and have been employed in that capacity for approximately six years and nine months. I have first hand knowledge about the process involved in handling and docketing incoming mail. I hereby declare that as my primary job duty, I process all incoming mail by first receiving same via email from Secretary, Carole Rasmussen. All incoming mail is then entered into the well known docketing system "Pattsy," which has been utilized by this firm well before my employment. Once mail has been docketed, it is next "released" and response to same will then be prepared. The normal timeline from receipt to release is approximately two (2) to five (5) days.

In the present case, I received the Notice of Allowance and discussed this with Mr. Howison. The notation was made in the docket system reflecting the situation and the Notice of Allowance was filed electronically in our document management system and an email distributed to all of the staff as to all mail received and docketed that day in accordance with our standard procedure.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
